Volunteer for FOOD TECH camp

FOOD TECH Club, Agricultural Volunteer of Rus (Huntra), made a project "Volunteer of FOOD TECH and Rus camp for academic year 2016". The aim of the project was to raise students' awareness about the volunteer spirit including offering help for community, practicing the working skills with the others, and spending their free time in a productive way. This project was administrated by Assistant Professor Phakwan Thongrug, Assistant to the Dean for Student Affairs, Faculty of Agricultural Technology and Agro-Industry and it was hold on February 24th – 26th 2017 at Naresuan Pa La-u Border Patrol Police School, Huai Sat Yai, Hua Hin, Prachuap Khiri Khan.
