Dharma Practice: Withantasa Meditation

Rajamangala University of Technology in cooperation with Willpower Institute launched two trainings on Withantasa Meditation: Withantasa Meditation 1 (11 January 2012 – 11 April 2012), Withantasa Meditation 2 (7 November 2012 – 20 February 2013) The training was conducted from Monday to Wednesday from 16.30 – 18.00 pm. The training was both theory and practice. The theoretical training was honored by the Most Venerable Phra Thep Jetiyajan (Luang Por Viriyang Sirindaro) and for the practicum the participants were trained to do meditation by walking for 15 mins. and by sitting for 15 mins. After the training, the participants were evaluated. When they passed the test, they could move ahead to the site practice at Doi Inthanon, Chiangmai for 4 days 3 nights from Phranakorn Si Ayuthaya during 20 – 25 March 2013. Finally, they were given the certificate of ‘Meditation Trainer’ by Willpower Institute.

RMUTSB collaborated with SIPA operated the training of the care and maintenance of IT system in accordance with international standards

RMUTSB collaborated with The Software Industry Promotion Agency: SIPA (public organization) operated The Project of Incubation and Prepare Personnel to Enter the Industry. The Course of the Care and Maintenance of IT System in Accordance with International Standards. The project provided the theoretical training, actual practice, the testing of professional universal standard Certificate CompTIA A+ and work at the establishment after training. The president of RMUTSB, Asst.Prof.Chariya Hasitpanitkun. And The Deputy Director of the Strategy and Technology of SIPA, Mrs. Suwimon Dhevasilchaikul gave an honor to be co-presided over the course opening ceremony. Including invited lecturers from industrial sector and instructors from RMUTSB who passed the test of Certificate CompTIA A+ to be narrators between March 18 – 28, 2013 at the International Standard Training and Test Center, the Office of Academic Resources and Information Technology, RMUTSB, Nonthaburi Campus (North Arena).

Visiting Korea

The Deputy Dean of College of Management, Asst. Prof. Wasuthida Nuritmon and students visited Korea for studying the development of Technology, Economic and Society during March 14 – 18, 2013.
On February 8-9, 2013 Faculty of Agricultural Technology and Agro-Industry hosted an event called “1st Huntra Vichakarn” or “1st Academic Huntra”. The activities of the event were mainly distribution of the agricultural technology and agro-industry knowledge in forms of the research work of the faculty lecturers and students to the public, the academic exhibitions, the academic conference and various technical skills competitions.

There were many secondary school students in Ayutthaya province and the near-by joined this event with knowledge and fun. Hopefully, the participants would recognize that agricultural technology and agro-industry knowledge are extremely important in supporting the economic growth of the country.

The institute of research and development operated The Researcher Development Project (The Workshop Project: The National Research Project Management (NRPM System)) for personnel who responsible for the research of faculty / researchers learn to use NRPM system and be able to fill in details of the research project proposals and following the success of the research projects into NRPM system correctly. On Wednesday, January 23, 2013 at academic service building, the Office of Academic Resources and Information Technology, RMUTSB, Huntra Campus.

**1st Huntra Vichakarn or 1st Academic Huntra**

On February 8-9, 2013 Faculty of Agricultural Technology and Agro-Industry hosted an event called “1st Huntra Vichakarn” or “1st Academic Huntra”.

The activities of the event were mainly distribution of the agricultural technology and agro-industry knowledge in forms of the research work of the faculty lecturers and students to the public, the academic exhibitions, the academic conference and various technical skills competitions.

There were many secondary school students in Ayutthaya province and the near-by joined this event with knowledge and fun. Hopefully, the participants would recognize that agricultural technology and agro-industry knowledge are extremely important in supporting the economic growth of the country.

**The Award of Best Presented Concept on “The 7th Power of Dairy Thailand”**

RMUTSB Marketing students: Miss Rattikarn Plailamool, Miss Pornpimol Ekpetcha and Miss Siriporn Sudkaew won the award of Best Presented Concept on “The 7th Power of Dairy Thailand Toward AEC. The winners were presented with the trophy granted by Her Royal Highness Mahachakri Sirindhorn and the 20,000 baht award. This activity was organized by the Dairy Farming Promotion organization of Thailand on January 27, 2013. This group of students was under the supervision of Ms. Phanarai Kedlapi, lecturer.
